Re: *Notice of Ex Parte Communication, 2010 Quadrennial Regulatory Review – Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996, MB Docket No. 09-182; Promoting Diversification of Ownership in the Broadcasting Services, MB Docket No. 07-294*

Dear Ms. Dortch:

On January 24, 2013, the undersigned, representing Bonneville International Corporation and The Scranton Times, L.P. (“Bonneville/Scranton”), spoke via telephone or left voicemail messages concerning the above-referenced docket with the following FCC personnel: Elizabeth Andrion, Legal Advisor to Chairman Genachowski; Erin McGrath, Legal Advisor to Commissioner Robert McDowell; Dave Grimaldi, Chief of Staff for Commissioner Mignon Clyburn; Alex Hoehn-Saric, Policy Director for Commissioner Jessica Rosenworcel; Matthew Berry, Chief of Staff for Commissioner Ajit Pai; and Sarah Whitesell, Deputy Chief of the Media Bureau. Specifically, in response to certain new proposals concerning potential changes to the newspaper/radio cross-ownership ban, my telephone communications reiterated Bonneville/Scranton’s call for complete elimination of the rule, which is overwhelmingly supported by the evidentiary record in this proceeding. Certain proposals for lesser relief are unwarranted and unsustainable. *See* Letter of James L. Winston, Notice of Ex Parte Communication for the National Association of Black Owned Broadcasters, MB Dockets No. 09-182 and 07-294 (Jan. 24, 2013).

In accordance with the Commission’s *ex parte* rules, 47 C.F.R. § 1.1206, this notice is being filed in the above-referenced dockets. If you have any questions about this submission, please do not hesitate to contact me.
